

Clinical Education Packages

Welch Allyn Partners in Care Education Services

Whether your needs relate to staff turnover, yearly Joint Commission education requirements, annual competencies, clinical skills day or new hospital orientation, we have packages to serve your needs.

These training program options originated from direct feedback that we received from valuable customers like yourself. You will see four simple clinical package options to choose from, along with webinar choices.

We here at Welch Allyn hope that you will partner with us in meeting your continuous clinical educational needs for your facility and clinical staff for the years to come.
